An Apple for the teacher?

Tarrant High School: It's New and Improved.

Coming back to school after summer vacation is always exciting, but nothing could be more exciting than returning to find the entire school in the middle of a dramatic face lift.

During the summer of 1983, Tarrant High School began an encompassing renovation program, including the remodeling of the Library Media Center, lowering ceilings, giving each classroom a color-coordinated paint job and installing new carpet and lockers in the hallways. It was almost like returning to a new school! Although the project was not completed until the first of October, the minor inconveniences were well worth it. No one seemed to mind watching out for wet stair railings or unexpected cans of paint. The faculty and students greatly appreciate these major improvements to the high school! In addition, to the structures and architectural improvements, THS purchased five Apple computers and a printer to enhance the new Library-Media Center. It won't be long before THS has its own band of "WIZ KIDS."

The external improvements have had some internal effects as well. The students and teachers seem to take more pride in their school. Since the renovation, THS has also hosted many distinguished guests such as Senator Howell Heflin. A Regional Journalism Conference was held in THS in October featuring anchor woman Pam Huff. VICA also hosted a Handicapped Awareness Week in February.

Even though many people argue that "beauty is only skin deep," the improvements at THS have been penetrating.

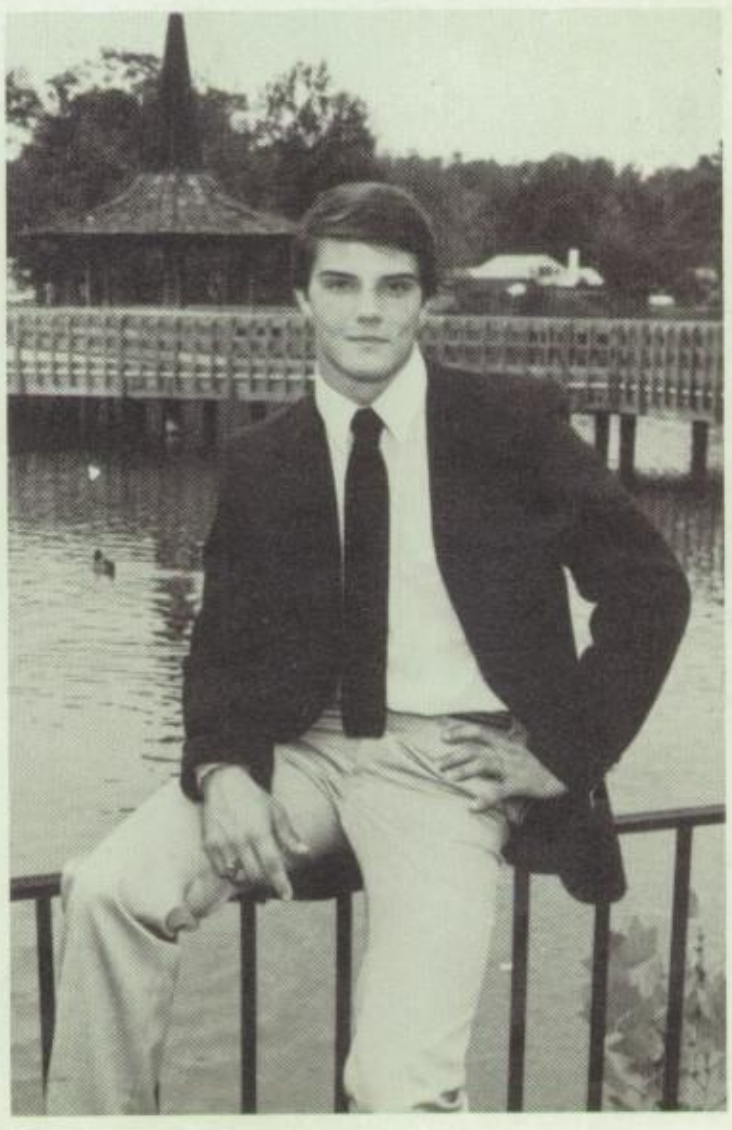
Mr. Topcat

It's not enough to be good looking and a football player, this year's Mr. Top Cat is one of the most courteous gentlemen at THS, and he manages to be an above average student as well. Among his other accomplishments, Bobby Briscoe has also been selected to appear in the Boys of Birmingham calendar for 1984. Bobby plans to attend Jacksonville State University in the fall.

It's nice to have such a polite, well-rounded Mr. Top Cat representing Tarrant High School.



Stray Cats

The Mr. Topcat contest was so close this year that there were three run-offs before Mr. Topcat was finally selected. With *G.Q.* men like this it is no wonder. Congratulations to the top four runner-ups, the "Stray Cats" of 1984.

Beauty Judge — Miss Margaret Ann Renneker

We are honored to have Miss Margaret Ann Renneker judge our Senior Beauties. She is presently attending Birmingham Southern College, majoring in history. She plans to enter law school next fall. She has judged several pageants in the Birmingham area and recently was the Mistress of Ceremonies for the Little Miss Century Plaza.

In 1982, she was second alternate to Miss Alabama and won the talent and swimsuit preliminaries. In 1981, she was selected Queen of the Hall of Fame Bowl and was in the top ten in the Miss Alabama pageant.

At Birmingham Southern, she is a member of Alpha Omicron Pi Sorority and the President's Student Service Organization. She is Chairman of the Pre-Law Society and in 1983, she was given the President's Service Award. She produced and directed the Southern Event last year, a talent and variety show at 'Southern.

She also works with 8th and 9th graders in a Community Bible Study. This summer she was coordinator of Alabama Intracity Development, a home repair project for the poor sponsored by the Methodist Church.

Senior Class of 1983-84

We travel along the road of life hardly knowing what we are, yet always daring to be something; seldom saying what we mean, but never afraid to have meaning; sometimes failing in our endeavors, though never tempted to cease trying; seeking satisfaction at every level, yet never defining happiness; often apologizing for our existence, while realizing that life is its own excuse.

But the real joy of our otherwise insignificant efforts is that we are never quite satisfied to be on the left, or right, or in the middle of that road. We are always attempting to change its direction.

Dedication

Mrs. Doris Smith

The *Wildcat* staff proudly dedicates the 1984 *Wildcat* to Mrs. Doris Smith. Mrs. Smith has been teaching at THS for seventeen years. Mrs. Smith encourages her Biology students to keep up with current developments in science through field trips and meaningful projects. She has been instrumental in sponsoring and organizing the Tarrant Blood Drive, serving the community, and teaching students the concept of helping others. Mrs. Smith has also sponsored the *Tarrant Times.*

In addition to her school activities, Mrs. Smith has a twelve year old son, Byron, and she is a leader in her church, the First Baptist Church, Zion City.

With great appreciation the *Wildcat* staff acknowledges the hard work and inspiration of their friend and teacher, Mrs. Doris Smith.

How Sweet It Is!!!

Second Place: Robbie Mills . . . Outstanding Club Scrapbook

Everyone knows that success is sweet, but what about all the hard work involved in achieving it. Members of the T.H.S. 1983 and 84 Vocational Industrial Clubs of America (VICA) have had some first hand experience in being successful and working hard.

Mr. Feenker, VICA sponsor, sees VICA as "an opportunity for students to work together, play together and develop into more mature individuals while finding a purpose for themselves."

VICA, it seems, has helped students find a sense of purpose more and more each year. Last year VICA (1982-83) was a model of excellence. In March, 1983, VICA captured twelve victories at the District II Skill Olympics.

First Place: David Kirkland . . . Mr. VICA
First Place: David Monaghan . . . Mr. Safety
Second Place: David Kirkland, Cindy Creel, Melinda Brown, Robbie Mills, Joe Copeland, Steven Gosnell, Joe Cushman . . . Opening and Closing Ceremony Team

Before the Prom VICA teamed up with Dee Fine, president o MADD (Mothers Against Drunk Driving), to sponsor an alcoho awareness week helping students to realize the consequences o irresponsible drinking. Without a doubt, the prom was much safer.

One of VICA's greatest triumphs was landing two Nationa titles. Joe Cushman was elected District II National Vice Presi dent and the T.H.S. VICA won third prize in Safety for its scrapbook.

Mr. Feenker, beaming as he boasts, explains leadership development in VICA, "I have seen leaders develop in front of my eyes over and over from those whom others felt were followers at best." It certainly appears that VICA will continue to strive for leadership. Joe Cushman and Sherry Barrett participated in a National Convention in Washington D.C. in October 1983 and Joe is scheduled to visit several states throughout the year.

Community and School Rally!

In an effort to aid six year old eukemia victim Jennifer Glasgow, Tarrant schools and community "showed their true colors" by helping raise an estimated cost of $100,000 for a bone-marrow transplant.

A carnival was organized as a money-raiser which was held on September 24, 1983. It drew a crowd of over 4,000 people and collected approximately $73,000.

Jennifer Glasgow

Rummage sale for Jennifer

Tarrant High School did a tremendous job in participating and raising money. The senior and junior classes donated $100 each to the fund; Quarterback Association, faculty, and students donated $314.16 for a total of $1,074.16. The Tarrant Blue Regiment Band played an afternoon show for onlookers. VICA also held a stand to raise money for Jennifer Glasgow Day.

Through the efforts of the Tarrant schools and community, Jennifer was able to receive the bone-marrow transplant. Complications set in, however, and Jennifer died on October 31, 1983. Mr. Echols and other members of the Tarrant High School faculty held a memorial for Jennifer on November 3. They sang "Victory in Jesus" because it was Jennifer's favorite song. For such a little girl, she touched a lot of people's lives in a big way.

Dance, Dance, Dance . . .

Tarrant High participated in an Artist-in-Residence Program funded by the Alabama Council on the Fine Arts and Humanities and the National Endownments of the Arts, a federal agency. We chose dancing as our medium. Millicent Simmons, a creative movement specialist, worked with speech, drama, and P.E. classes each day for two weeks. Classes did activities in warmups, direction, energy, focus, symmetry, levels, non-verbal communications, and choreography.

Now a greater percentage of our student body has been exposed to creative dance and has gained some experience in creative movement.

Mrs. Myers reflected on her experiences working with Millicent Simmons in her P.E. class, "I'm glad that we had the opportunity to have such a well qualified artist to work with our students. Many students were introduced to new and different experiences."

Mrs. Coffman said that one of the best things that her drama students learned by working with Ms. Simmons was "that if all else fails, just fake it!"

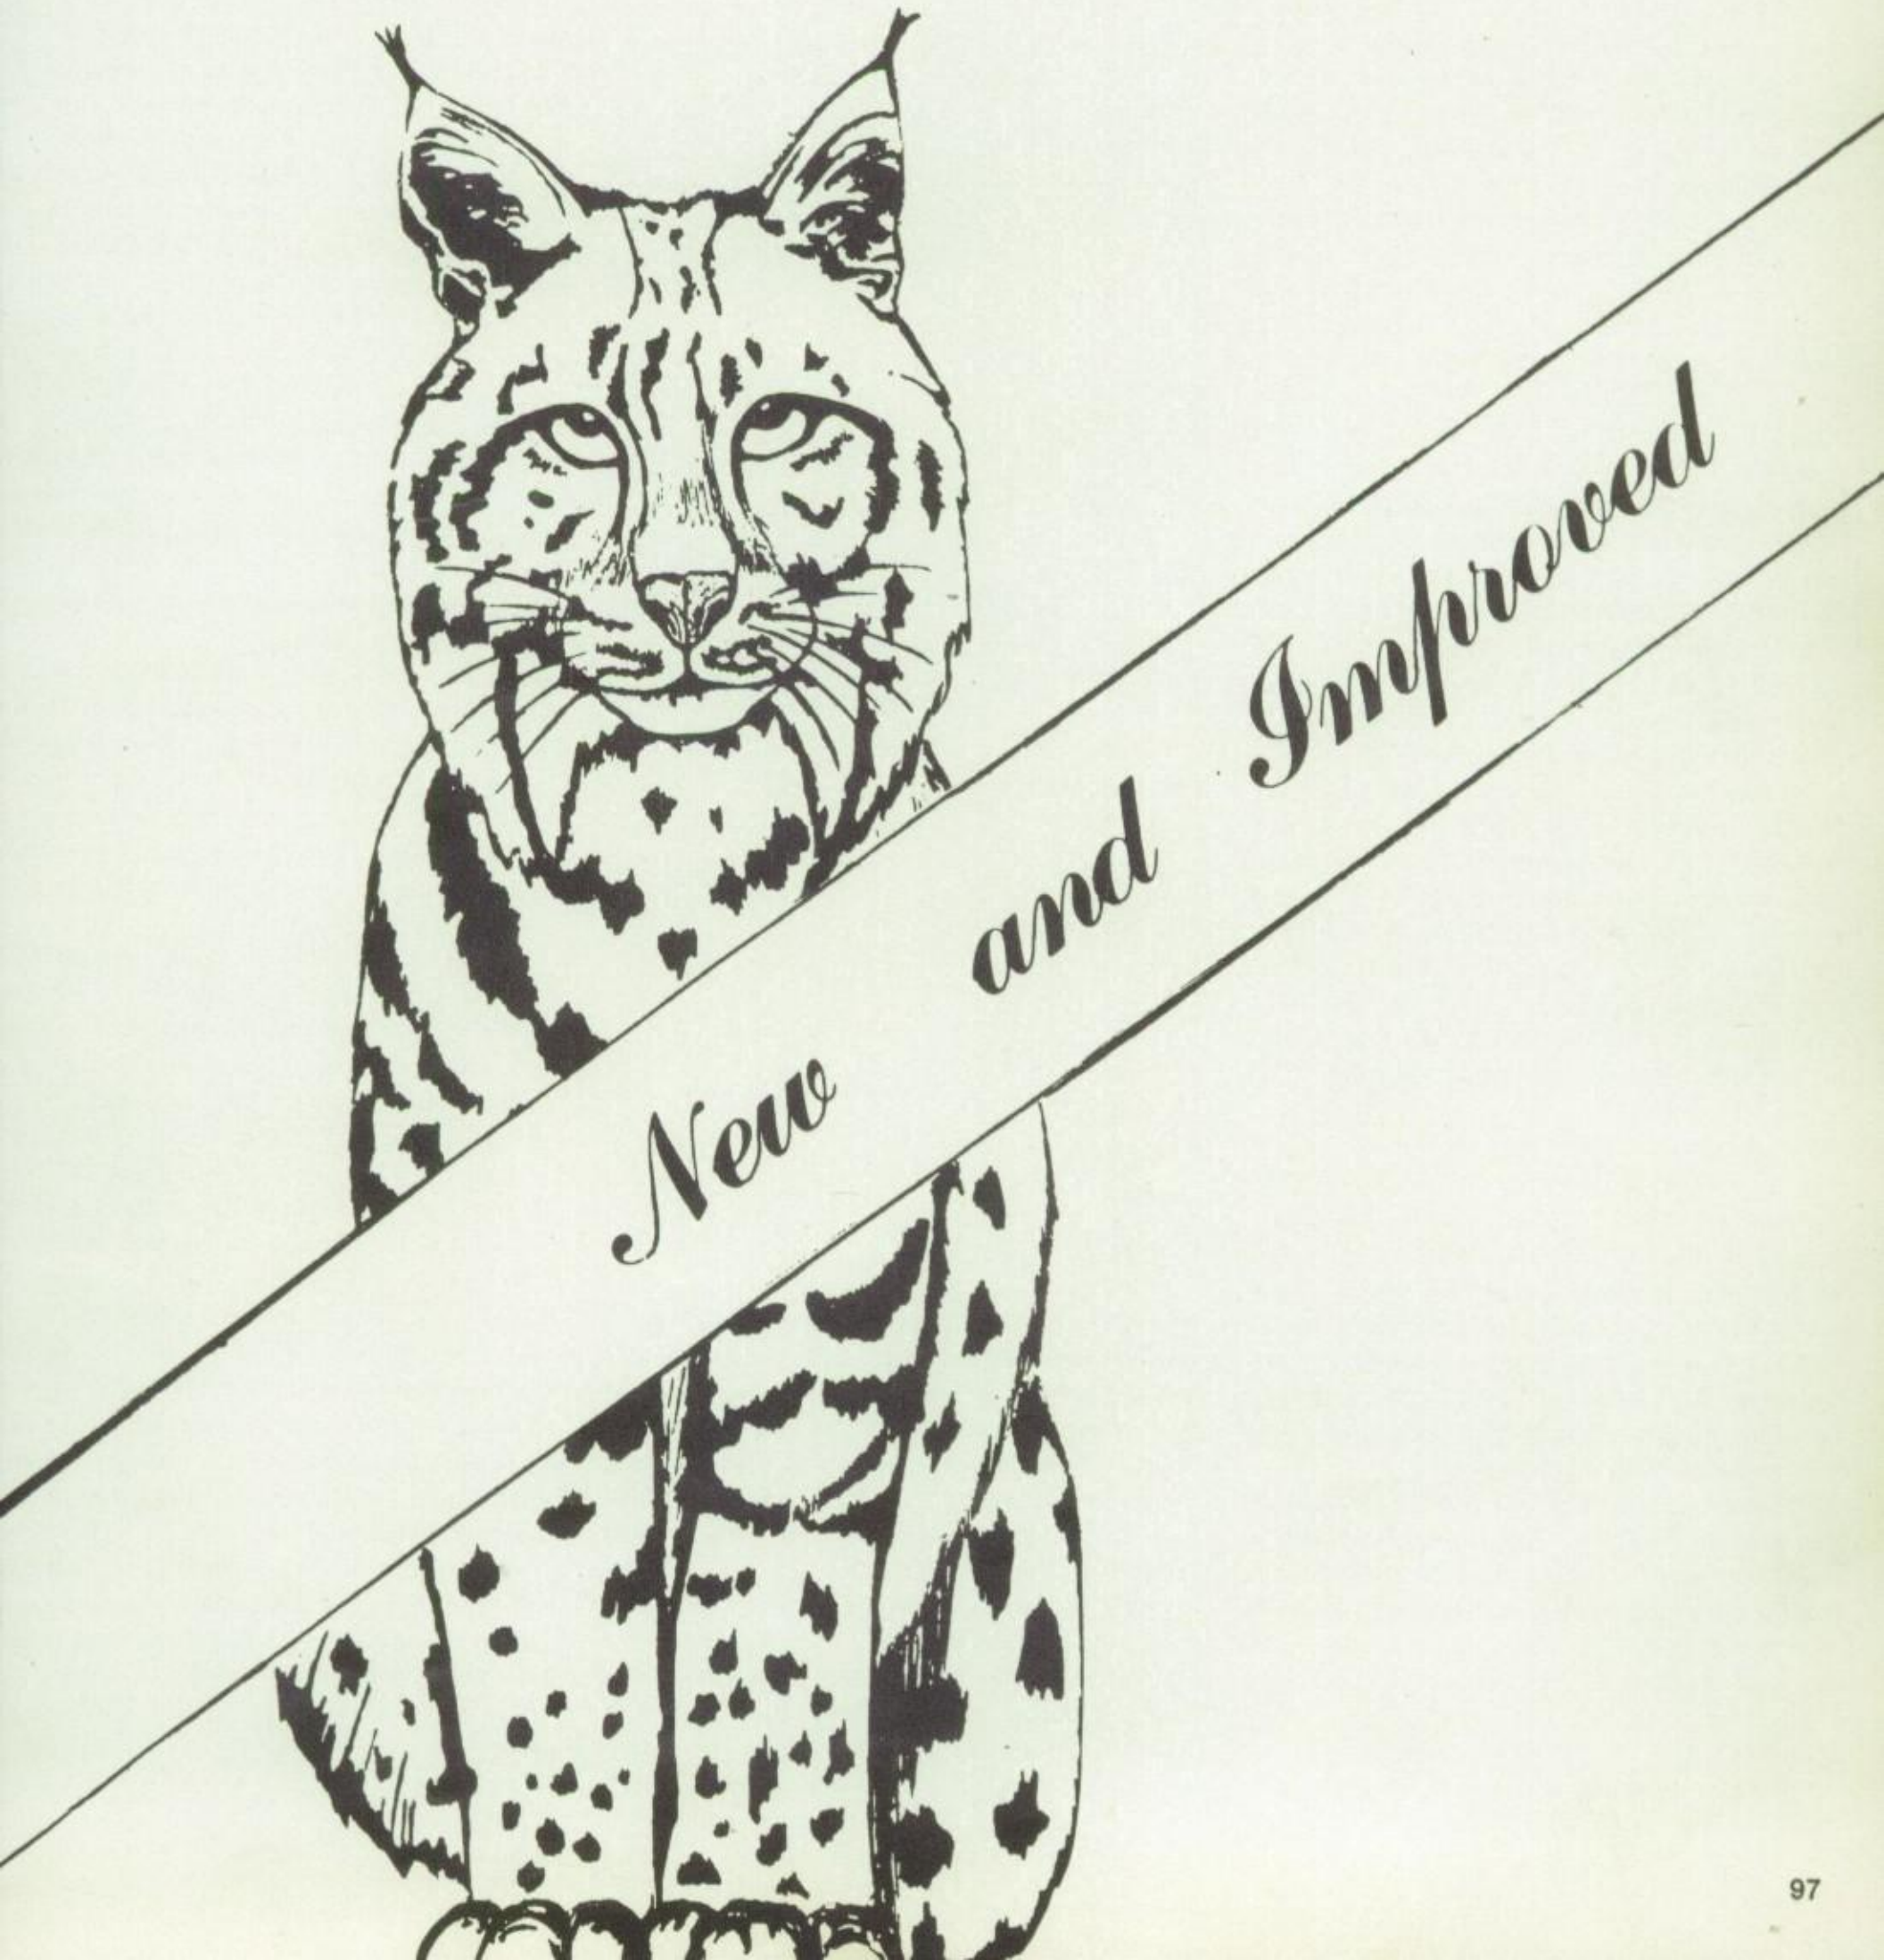
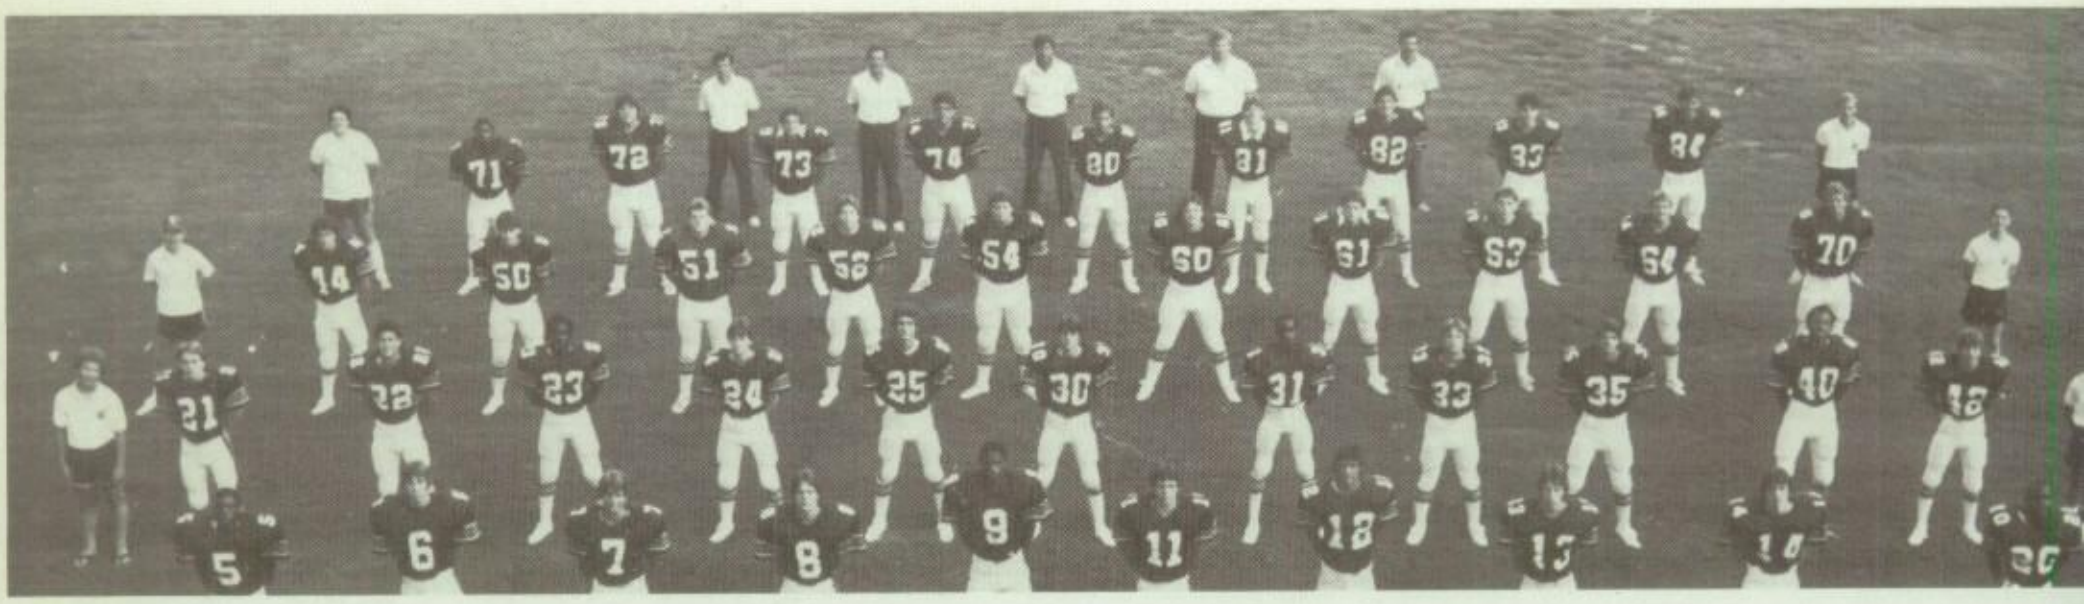
SPORTS



Football 1983



This year's football team was a very courageous team. They were very small and were plagued with injuries. Really, you could say that they were like David as he fought the giant Goliath.

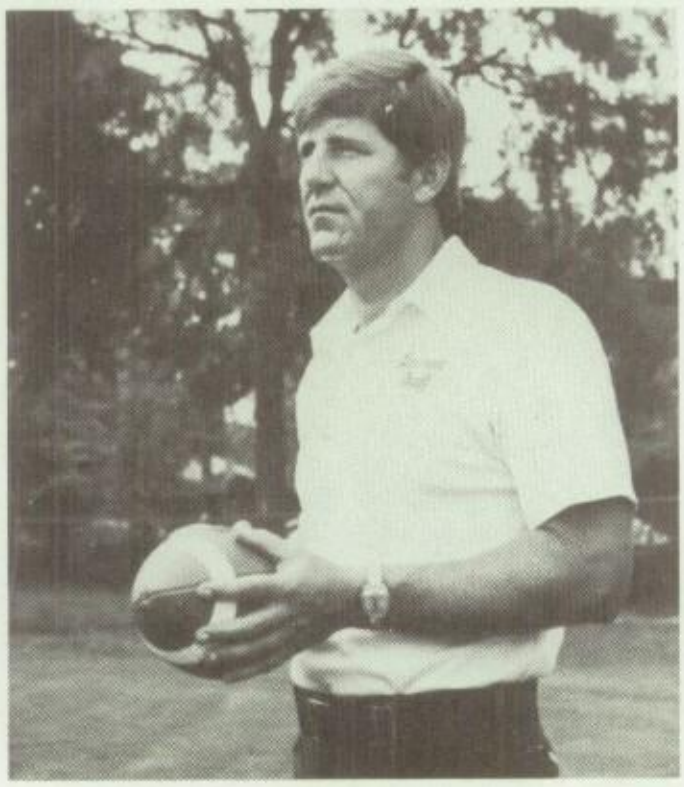
The ten game season lasted about three months. The first game was played against Fultondale. We were led by Mark Johnson and Rod Knight. Mark Johnson scored two touchdowns in the first quarter on runs of twenty-five and three yards. Mark Williamson added the extra points after each touchdown and then in the second quarter he kicked a thirty-five yard field goal. In the fourth quarter Rod Knight intercepted a pass and scrambled fifty-four yards into the end zone. However, Fultondale finally scored on a twenty-six yard pass but they missed the extra point. The final score was a very decisive margin of twenty-four to six. The Wildcats of Tarrant had won their first game of the new season.

On September 2, the opponent was Fairfield. We traveled to Fairfield only to beat them thirteen to six. Dennis Wright connected with Rod Knight for a touchdown in the first quarter. Fairfield then scored on a fifty-three yard pass. Then in the third quarter Wright threw another pass to Knight to set up a touchdown by Mark Johnson. Our team played with a lot of character to beat the bigger team of Fairfield.

The big rival between Pinson and Tarrant was played on September 9. It was a close game but we lost fifteen to twelve on a last second touchdown. This was the first time that Pinson had defeated us in five years. Mark Johnson scored twice for us to make the game close. This game was very symbolic of how we played all year, because Pinson was much bigger than us. We still played a good game and made it tough for Pinson.

Pleasant Grove was our next opponent of the season. Again our team was outsized. It was a very quiet night for the Wildcats who lost their second game. Pleasant Groves' size was able to help them score ten points and hand us our first shutout of the season. Our usually productive offense was unable to score against the big defense of Pleasant Grove.

The next week we lost our third game in a row. The opponent was sixth ranked Leeds whom we had not beaten in six years. Leeds was known for their size and quickness but this did not bother our team. They went out on a cold night and played the best that they could. A few major mistakes cost the Wildcats the game as they lost to the Green Wave fourteen to three. This was the seventh year that Leeds had won the battle.



Fultondale	24-6
Fairfield	12-6
Pinson	12-15
Pleasant Grove	0-10
Leeds	3-14
Open	
Gardendale	7-34
Midfield	6-9
Mortimer Jordan	28-14
John Caroll	12-6
Hewitt Trussville	12-10

October 7 was our worst game of the year. We played Gardendale who was ranked seventh in the state behind Leeds. The Rockets were a team that went up a class last year but came back down this year. They were one of the biggest 3A teams in the state. It wasn't really ever a close game even though our team played as hard as they could.

Our fifth and final loss of the season wa handed out by the Midfield Patriots. The gam was played on a very cold night at Midfield. A the scoring came in the fourth quarter. Ala Evans, who came in for Dennis Wright, threw pass to Scott Purkey for a touchdown. The the Patriots returned a punt for seventy-s yards to give them the lead. On an attempt come back Dennis Wright was sacked in th end zone for a safety.

After five straight losses, Tarrant p together a full game of football. They be Mortimer Jordan by almost two touchdown The offense was led by Mark Johnson, Ro Knight, and Dennis Wright. This was one of th few teams that we played that was our ow size, and we won with ease.

Now that we were on the winning side, th team felt good about playing the favored Jo Caroll team for Homecoming. John Caroll w favored to win the contest, but our team d not let that bother them. They went out an played a great game that made the occasi very joyful. It was a very close game, but Ta rant came away on top.

The last game of the season was at hom and our team had a chance to even the record of five wins and five losses. The oppo nent was Hewitt Trussville. Hewitt was a team who was going to the state playoffs. G ing into the fourth quarter Tarrant was behi by four points. There were about thi seconds left in the game when Dennis Wrig threw a beautiful pass in the end zone for touchdown. Rod Knight was the hero w caught the pass for a touchdown. T touchdown put the Wildcats ahead and th won their last home to even up their record.

Throughout the year our team played peop that were bigger than they were. They used lot of intensity and courage to win five games think they know now how David felt facing th giant Goliath. But like David, fear and anticip tion didn't stop the Wildcats from meeting t challenge head on, finishing the season with record filled with pride.

The editorial page expresses opinions and conflicts on the school system such as vandalism, the new fence, and the attendance policy. The sports covers THS football, basketball, soccer, volleyball, and wrestling matches from season to season. The entertainment page provides information on concert dates, rock notes, movies, and video game reviews. Also, the Feature page gives interesting facts on different people and their experiences at Tarrant High School. Together, the Tarrant Times Staff strives to keep the student body informed about things that happen in their school.

Coach Don Hannah

The *Wildcat* staff is proud to begin the tradition of students selecting their favorite teacher with Coach Don Hannah, Favorite Teacher 1984. Coach Hannah has been teaching for eleven years. He has taught a variety of subjects ranging from Oceanography and Astronomy to physical science to P.E. Although Coach Hannah can sometimes be a demanding teacher he is always a lot of fun and has a great sense of humor. He helps coach Varsity football and he is Head Coach of the Baseball team.

Coach Hannah served in the U.S. Marine Corps and was stationed in Viet Nam for thirteen months.

Although he likes teaching and coaching, his favorite pastime is taking his eleven year old son Kevin fishing during the summer. Congratulations to Coach Hannah, the students' choice for Favorite Teacher.
